② CATUSK UVENTURE Operational
Berlin Office of CATUSK

Reference: EGBA-72281, 4 February 1969

Action required: NONE, FYI.

1. CATUSK has had a Befra type collection office in Berlin since the early 1950s. It has offices at Camp Marienfelde, is completely separate from the CATUSK Berlin liaison office, and is directly responsible to CATUSK Headquarters. 1953 when DOHRING was absent because of illness. We met
DISPATCH on two occasions, and knew almost nothing about him.

4. From information mentioned by []
during his recent visit to Berlin, we had thought that DOHRING
and Identity-1 of Reference were the same person, however, it
now appears there is some doubt on this score. Does the Munich
Base have a photograph of Identity-1 of Reference, or of either
of the Identity-2s? If so please forward them to us so that
we can try to make identification.

5. We will keep you informed of any additional information
coming to our attention.
